

Request for Further Consideration of Library Materials

Please read, watch, or listen to the entire book, magazine, video, or sound recording you wish to discuss before completing this form. *The library will not review objections to material you have not fully examined and considered carefully.* Your signature on this form will be understood to mean that you understand and have completed this requirement.

Name: _____

Library Card Number: _____

Address: _____

Phone Number: _____

I have read/watched/listened to this book/magazine/video/sound recording in its entirety.

Signature: _____

The work you wish to discuss:

Title: _____

Author: _____

Call Number: _____

Please explain why you feel that the library should give further consideration to this title.

Be as specific as possible about your concerns. Continue on the back if needed.

The library strives to include as many viewpoints as possible on controversial topics. Please suggest a title that might give another view to balance that of the work named above.

Title: _____ Author: _____

Please return this form to the reference librarian when completed.

Thank you for your interest in the library
